Peter Dick

Peter Dick has clocked up more than 30 years in radio. Peter is a true Queenslander coming from Bundaberg. He attended school on the Gold Coast and got into radio at the age of 18 after doing a stint in Telemarketing.

Peter's first job in radio was at 7BU in Burnie, Tasmania. After Tasmania, Peter travelled back home to Queensland to join 4BC, which was then the Big 4BC. He then travelled back south to 3XY in Melbourne, which at that time was the most popular radio station in Australia.

We couldn't keep the boy away, he came back to Brisbane and joined the ABC.

This is Peter's third time back at 4BC.

Besides Peter love of Radio, he has recently become a keen golfer, enjoys a hit of tennis and is an avid Broncos and Lions fan. Enjoys good food, great wine and spending as much time with his two children.

And we all know you can hear Peter before you see him.

Ross Davie

Ross Davie has more than 23 years experience in the media, working in sales for many years beginning with 2UW in the 80's, with 4BC as producer and co-presenter with Wayne Roberts through the 80's, a seven-time Goldie Award winner for writing and voice work, Raward winner in 1998 and finalist on numerous occasions.

Ross produced breakfast radio in the early 1990's and has since 1996 headed his own successful advertising agency, Ross Davie Advertising. Ross continues this work with his breakfast program role on Brisbane's 4BC.

Ross' passions include golf, good music, golf, fine foods, golf, his wife and five children and golf. Ross is also keenly interested in golf.

Peter Dick and Ross Davie's unique mix of lively yarns, pacy calls, the newsmakers of the day and a good laugh is unmatched on Brisbane radio.

Their coupling on Brisbane's 4BC started in July 2005, and before long Peter and Ross found each other's senses of humour and timing bounced off each other like they'd worked together for years. It's this compatibility which gives Brisbane's 4BC an informed and amusing start to the day. Many listeners comment that their first half-hour on air, from 5.30-6am, is hilarious as the boys share stories about what they got up to the previous day. And once they getting laughing, it's infectious.

Peter and Ross break the news too - setting the agenda for Brisbane with breaking hard news, scoop interviews and rumours from around the town and around Australia.
